H&R Announces TSX Acceptance of Normal Course Issuer Bid

Toronto, Ontario, June 4, 2015 - H&R Real Estate Investment Trust (“H&R REIT” or the “REIT”) and H&R Finance Trust (collectively, “H&R”) (TSX: HR.UN; HR.DB.D; HR.DB.E and HR.DB.H) today announced receipt of final acceptance from the Toronto Stock Exchange (“TSX”) of H&R’s notice of intention to make a normal course issuer bid (“NCIB”). Under the NCIB, H&R REIT will have the ability to purchase for cancellation up to a maximum of 5,000,000 Stapled Units on the open market. As at May 26, 2015, H&R had 276,087,294 outstanding Stapled Units.

The NCIB will commence on June 9, 2015 and remain in effect until the earlier of June 8, 2016 and the date on which H&R REIT has purchased the maximum number of Stapled Units permitted under the NCIB. Purchases of Stapled Units under the NCIB will be made in accordance with TSX by-laws, rules and policies through the facilities of the TSX, and through alternative trading systems. The Stapled Units so purchased will be cancelled. The price paid for any repurchased units will be the market price of such Stapled Units at the time of acquisition. Daily purchases will be limited to 138,491 Stapled Units other than block purchase exemptions.

H&R believes that its outstanding Stapled Units represent an attractive investment, and the ongoing purchase of its outstanding Stapled Units may benefit all persons who continue to hold Stapled Units by increasing their equity interest in H&R.

H&R intends to establish an automatic purchase plan under which its broker may purchase Stapled Units according to a prearranged set of criteria. The plan will enable the purchase of Stapled Units at any time, including when H&R would not ordinarily be active in the market because of internal trading blackout periods, insider trading rules or otherwise. The plan will terminate on the earliest of: the date on which the purchase limits specified in the plan have been attained, the date on which the normal course issuer bid terminates or the date on which the plan is terminated by a party in accordance with its terms. To H&R’s knowledge, after reasonable inquiry, none of the directors, officers or other insiders of H&R or any associate of any such persons, or any associate or affiliate of H&R currently intends to sell Stapled Units to H&R during the course of the issuer bid.

H&R has made purchases of Stapled Units under a normal course issuer bid through the facilities of the TSX which was approved by the TSX on April 11, 2014 and expired April 14, 2015. Under that bid, H&R purchased and cancelled 246,700 Stapled Units at a weighted average price of \$21.85 per Stapled Unit.
