**ATRIUM MORTGAGE INVESTMENT CORPORATION
ANNOUNCES INCREASE TO BOUGHT DEAL FINANCING**

THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

TORONTO, CANADA, September 3, 2014 – Atrium Mortgage Investment Corporation (TSX:AI, AI.DB, AI.DB.A) (“Atrium”) is pleased to announce that it will increase its previously announced offering of 5.50% convertible unsecured subordinated debentures of Atrium due September 30, 2021 to \$35 million. The debentures will be issued at a price of \$1,000 per debenture. Atrium has also granted to the underwriters an over-allotment option to purchase up to an additional \$5.25 million aggregate principal amount of debentures at the same price, exercisable in whole or in part at any time for a period of up to 30 days following closing of the offering, to cover over-allotments.

The offering is being made on a bought deal basis through a syndicate of underwriters bookrun by TD Securities Inc. and RBC Capital Markets, co-led by CIBC and including BMO Capital Markets, Scotiabank, National Bank Financial Inc., Canaccord Genuity Corp., GMP Securities L.P., Raymond James Ltd., Industrial Alliance Securities Inc., Dundee Securities Ltd. and Mackie Research Capital Corporation.

Atrium will use the net proceeds of the offering to repay existing indebtedness under its revolving operating credit facility, which will then be available to be drawn, as required, for general corporate purposes, particularly funding future mortgage loan opportunities.

The offering of debentures is expected to close on or about September 23, 2014 and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the Toronto Stock Exchange.

The debentures will mature on September 30, 2021 and will accrue interest at the rate of 5.50% per annum payable semi-annually in arrears on March 31 and September 30 in each year, commencing March 31, 2015. At the holder’s option, the debentures may be converted into common shares of Atrium at any time prior to the close of business on the earlier of the business day immediately preceding the maturity date and the business day immediately preceding the date fixed for redemption of the debentures. The conversion price will be \$14.65 for each common share, subject to adjustment in certain circumstances.

The debentures will be direct, unsecured obligations of Atrium, subordinated to other senior indebtedness of Atrium, ranking pari-passu to Atrium’s existing 5.25% convertible unsecured subordinated debentures due June 30, 2020 and 6.25% convertible unsecured subordinated debentures due March 31, 2019.

The debentures will not be redeemable before September 30, 2017. On and after September 30, 2017 and prior to September 30, 2019, the debentures may be redeemed, in whole or in part, from time to time at Atrium’s option at par plus accrued and unpaid interest, provided that the weighted average trading price of the common shares of Atrium on the Toronto Stock Exchange during the 20 consecutive trading days ending on the fifth trading day preceding the date on which notice of the redemption is given is not less

than 125% of the conversion price. On and after September 30, 2019, Atrium may, at its option, redeem the debentures, in whole or in part, from time to time at par plus accrued and unpaid interest.

Subject to specified conditions, Atrium will have the right to repay the outstanding principal amount of the debentures, on maturity or redemption, through the issuance of its common shares. Atrium will also have the option to satisfy its obligation to pay interest through the issuance and sale of its common shares.

A preliminary short-form prospectus will be filed by no later than September 8, 2014 with the securities regulatory authorities in all provinces of Canada, except Québec. No securities regulatory authority has either approved or disapproved of the contents of this news release. The securities being offered have not been, and will not be, registered under the United States Securities Act of 1933, as amended, or any state securities laws, and may not be offered or sold in the United States unless an exemption from registration is available. This news release is for information purposes only and does not constitute an offer to sell or a solicitation of an offer to buy any securities of Atrium in any jurisdiction.

About Atrium

Canada's Premier Non-Bank Lender™

Atrium is a non-bank provider of residential and commercial mortgages that lends in major urban centres in Canada where the stability and liquidity of real estate are high. Atrium's objectives are to provide its shareholders with stable and secure dividends and preserve shareholders' equity by lending within conservative risk parameters.

Atrium is a Mortgage Investment Corporation (MIC) as defined in the *Income Tax Act (Canada)*. Accordingly, Atrium is not taxed on income provided that its taxable income is paid to its shareholders in the form of dividends within 90 days after December 31 each year. Such dividends are generally treated by shareholders as interest income, so that each shareholder is in the same position as if the mortgage investments made by the company had been made directly by the shareholder.
