

FOR IMMEDIATE RELEASE

**ATRIUM MORTGAGE INVESTMENT CORPORATION
ANNOUNCES NORMAL COURSE ISSUER BID**

TORONTO, CANADA, June 16, 2022 – Atrium Mortgage Investment Corporation (TSX:AI, AI.DB.C, AI.DB.D, AI.DB.E, AI.DB.F, AI.DB.G) (“**Atrium**”) announced today that the Toronto Stock Exchange (the “**TSX**”) has accepted a notice filed by Atrium of its intention to make a normal course issuer bid (the “**NCIB**”) with respect to its outstanding common shares.

The notice provides that Atrium may, during the 12 month period commencing June 24, 2022 and ending no later than June 23, 2023, purchase through the facilities of the TSX, other designated exchanges and/or alternative Canadian Trading Systems up to 3,000,000 common shares in total, being 7.3% of the “public float” of common shares as of June 13, 2022. The price which Atrium will pay for any common shares will be the market price at the time of acquisition. During the period of this NCIB, Atrium may make purchases under the NCIB by means of open market transactions. The actual number of common shares which may be purchased pursuant to the NCIB and the timing of any such purchases will be determined by senior management of Atrium. The average daily trading volume from December 1, 2021 to May 31, 2022 was 39,239 common shares. Daily purchases under the NCIB will be generally limited to 9,809 common shares, other than block purchases. All shares purchased by Atrium under the NCIB will be cancelled.

As of June 13, 2022, there were 42,996,918 common shares of Atrium outstanding, and the public float was 41,181,600 common shares.

Atrium may purchase its common shares, from time to time, if it believes that the market price of its common shares is attractive and that the purchase would be an appropriate use of corporate funds and in the best interests of Atrium.

In connection with the NCIB, Atrium has entered into an automatic share purchase plan (“**ASPP**”) with a designated broker to facilitate the purchase of common shares under the NCIB, including at times when Atrium would ordinarily not be permitted to purchase its common shares due to regulatory restrictions or self-imposed blackout periods. During restricted or blackout periods, purchases under the ASPP will be determined by the designated broker in its sole discretion based on the purchasing parameters set by Atrium in accordance with the rules of the TSX, applicable securities laws and the terms of the ASPP. Outside of the restricted and blackout periods, the timing and amount of purchases under the NCIB will be determined by senior management of Atrium. The ASPP has been pre-cleared by the TSX and will become effective on June 24, 2022, concurrently with the commencement of the NCIB. All purchases made under the ASPP will be included in computing the number of common shares purchased under the NCIB.
